General information:

The Executive Committee (EC) hereby issues **the call for the position of Coordinator for Membership at the European Students' Union (ESU), lasting for 12 months, from July 1st 2024 to June 30th 2025.**

The ESU Coordinators are expected to be experts for the issues of their responsibility. The Coordinators have to report on their activities to the Board of ESU twice a year during the Board Meetings. Between the Board Meetings, they are accountable to the Executive Committee, which has to make sure that their activities follow the Plan of Work and the priorities set by ESU policy, the EC and the coordinator.

According to ESU's Standing Orders, the Coordinator for Membership shall mainly:

- Handle membership issues in accordance with ESU [Membership strategy](#),
- Coordinate and take part in study visits,
- Give trainings on the pillars of the student movement and coordinate other trainings for student unions,
- Elaborate information tools with best practice for the members to facilitate capacity building in the NUSes and local unions.

Following ESU's Plan of Work 2024-2025, the following tasks also fall under the responsibility of the Coordinator (lead/supporter), together with the EC:

- ESU together with the Steering Committee of the Pool of Trainers will further consolidate the Pool, including through the further development of the website; the exploration of initial webinars; creating a bank of materials; and broadening the members to enhance the diversity and topical width of the Pool.
- ESU under support of NUSs hosting ESCs and BMs will invite trainers to events to provide sessions, with the aim to disseminate those practices and to promote the Pool at the national level among ESUs memberships.
- ESU will continue to gather alumni in the Brussels bubble. ESU will develop a

systematic way of keeping in touch with alumni (e.g., alumni email list, alumni newsletter, alumni tracking, etc.).

- ESU will explore the possibility of a project with the aim to foster capacity building for student activists in cooperation with the Pool of Trainers.
- ESU will maintain communication with student councils that are not Conference members in an effort to inform them about the initiative and incentivise their membership. ESU will present a training proposal to the NUSes and their members, providing an overview of the Conference and the organization's past endeavors. This should also be linked with data collection on student participation in Alliances in order to have a better understanding of the mechanisms of student participation in place.
